1 Jar Of Sliced pepperoncinis

1 Package Of Sliced Mushrooms

1 Bag Of French Rolls

Johnnys Seasoning

Serves 4 to 5

## **Directions:**

- 1. Start by preheating oven to 350°**
- 2. In a large skillet over medium-high heat sauté together the Onions, Peppers and Mushrooms until browned. Add a dash of Johnny's Seasoning.**
- 3. In a separate pan on medium-high heat add strips and stir-fry for 3 minutes or until hot. Add some Johnny's seasoning and pepper to taste. Then add to skillet in Step two.**

**At the same time place French Sandwich Rolls onto a baking sheet and heat in oven for 3 minutes.**

**After step three is completed you will need to return skillet and all ingredients including steak strips to low heat and stir in desired amount of cheese until melted.**

- 4. Then after you have removed rolls from the oven, fill them with the cheesy mixture. For those who like it spicy, like me, add pepperoncinis!**

**Then enjoy!!!!!!**
